SMALL BUSINESS ASSIST

513 Small Business Assist is a program designed to remove barriers that small business owners face when navigating recovery assistance programs. All eligible small businesses can receive one-on-one support with grant applications, business planning, marketing, access to funding, and much more.

Receive a Rapid Business Assessment

Small business owners will be provided with an initial recommendation of what support and services they should receive and a measure of their level of readiness to access funding before being matched to the best organization to support their business needs.

Get One-on-One Business Advice

In preparing your business for its next step, consult a business advisor on your business plan and areas that you need support

Relief Funding Support & Guidance

Connect to funding programs and grant opportunities best suited for your business needs and get direct support throughout the application process.

Coming Soon: Business Mentorship
